

## **Checklist – What we need to know to help you**

Don't worry if you can't provide us with all of these details. If in doubt just call or contact us for free and we'll take it from there.

The basics we need:

- Accident date (or your best estimate)
- Injuries suffered
- Description of how it happened
- Your contact details (name, contact details etc)

In some cases evidence can be crucial and might be lost if you don't act fast, so in addition you might want to consider looking for:

- Details of any witnesses
- Other evidence, for example if it's a car accident the registration number/s
- Details of financial losses suffered or likely to be

**If you are in any doubt about what evidence you ought to be gathering or safeguarding, call us free and we'll tell you what evidence might help in your particular claim**

**Don't delay – it's free to find out if you have a claim**
